

Please find attached a couple of documents that I think will be of use to you.

One outlines all of the events and activities that currently take place in Dartford District Libraries. The other outlines what a library card entitles our customers to, the vast majority of which is completely free.

You can search our events and activities here:

You can also search for library and community events and activities through Kent at the Local Kent Directory. Anybody can add an activity or service to the Local Kent Directory:
